### PAST PRESIDENT RON'S NOTES

We have just experienced the 10<sup>th</sup> annual Youth Day at Lake Dixon. To say it was successful would be a total understatement. Every year it seems to be better and better and 2017 Youth Day provided us with 27 children from six different elementary schools in Escondido. This year the schools used our event as an incentive and selected the top five students. They were well behaved, fished, steered the boats, went on a nature hikes, played, worked on crafts and ate plenty of dogs and burgers.

Thanks to **Tony and Monique** for chairing this event, **Simone** for leading the hikers, **Carol** for being everywhere and taking the photos and all the other Senior Anglers for taking the boats out, for cooking, for serving the food and for helping to make sure we all had a safe and fun Saturday at Lake Dixon. The Park Rangers participated and had a display that featured a huge tarantula that most of us enjoyed. Whew, how can anyone let that big, big spider walk on their arm or shoulder? Many thanks to everyone that participated especially the YMCA counselors and the beautiful and disciplined children selected to attend this event.

Spring is here and our trout season here in San Diego County, except for Lake Cuyamaca, is about over. For some reason this year has been less than great for our trout anglers. Only one fish entered in the last club challenge and it was small compared to some of the tail walkers. The water at Lake Wohlford was still very cloudy from the rains and our group did not have much action. However, we still had fun and a great BBQ. We have one more fish challenge so make sure you sign up and end the season with some whoppers.

The Fred Hall Show at Del Mar was very good this year and the seminars they offered were very informative. Makes the salt water angler anxious to schedule some trips and refill the freezer with some tasty filets. See **Barbara or Jim** to select the trips you're interested in and remember to get your salt water gear serviced and ready to fish. New line is a must unless you have braid that's fairly new.

The April General Meeting offers one of our favorite speakers, **Ernie Cowan**. He is the local expert on the high Sierra and with all the rain and snow it will be interesting to hear how all the lakes and streams have been changed and when they will be accessible to fish. Also I think he will be bringing us up to date on the wild flowers in our local desert. April's meeting will be busy and informative with lots of activities to explore so come join us.

Hope to see you at the meeting! Catch you later,

*Ron Parker*  
Past President

### NEWS FROM FLORIDA

The fishing in the month of March in Florida was very windy. Many of the large females delayed their spawn until April. To date the vast majority have yet to spawn. The average daily fish count for March was down from February, which is unusual.

On the other hand, the alligators have come out in force. A friend and I fished a lake near Melbourne Florida and counted over 50 alligators in one day.

We are currently packing for the trip home. See you soon.

*Larry V. Jauert*  
President

## PROGRAMS AND PUBLICITY

### APRIL SPEAKER

Local outdoor writer Ernie Cowen will be the guest speaker at our April 14 meeting. Among other publications, Cowen is the field reporter for Western Outdoor News, covering the annual Eastern Sierra trout opener for years.

As an accomplished desert photographer, Cowen will talk about this year's amazing spring flora and fauna that can be found in the Anza-Borrego Desert.

## SALT WATER

Hi everyone, the big news is our recent trip to San Onofre. This campout was lots of fun. We had a great group of surf fisherman fishing the tides daily. **Cheryl Brandstrom** won the jackpot and yours truly came in second. Our thanks to **Tony Smock** for organizing the surf derby

Speaking of jackpots, I had a submission from **Barbara Gattuso** for the largest fish ever caught by a club member. However, I had to disqualify her entry due to it having four legs and a trunk!!!

Our club has three charters for this season. Please see me at the April meeting to reserve your spot. The dates are June 6, (3/4 day trip), July 12, (3/4 day trip) and August 29, a full day trip. The ¾ day trip cost is \$83. And the all day is \$110. The price includes a 20% tip for the crew.

Springtime fishing is here. Our local landings are catching rockfish and yellowtail at Colonet and locally on the ¾ day trips. Be sure you have a new license before venturing out and put new line on your reels. Surf fishing is also starting to take off especially to the north where surf perch to over a pound are being caught.

**Don Continelli** and **Ken Harrison** have started a 2017 yearly surf fishing tournament. The grand prize is a new surf rod and reel to be awarded at our Awards Banquet.

*Jim Stevenson  
Past President for  
Barbara Gattuso*

### SURF FISHING

We had a fairly good start to our inaugural surf fishing tournament at the San Onofre Campout. Five members signed up, and for surf fishing it was a good week. **Don Continelli** started us off with a 4 oz. surf perch on Monday off the beach at Camp Del Mar. **Jim Stevenson** follow-up with a 7 oz. perch on Tuesday and **Mike Springer** hooked a small sand shark off the Doheny Beach.

But topping the leader board is **Cheryl Brandstrom**. Cheryl hooked a 9 oz. sculpin, just over the foam line using a lugworm. She was on the small point at the north end of the campground. This could be a SAE Club Record. **Congrats, Cheryl!!!**

The next surf fishing outing is scheduled for April 17th, at San Elijo State Beach. Plan on breakfast at Captain Kemo's (158 South Coast Hwy, Encinitas) at 7:00 am.

**Don Continelli** and **Ken Harrison** will have tournament entry forms with them in case you haven't entered.

*Don Continelli*

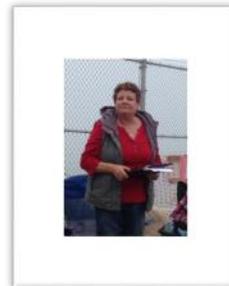

## SALT WATER (CONT.)

**Barbara and Greg at the Tahj Mahal.  
They don't look like they're missing  
us, do they?**

### SAN ONOFRE

What a great time, as you can see by the pictures. There were about 37 of us, with people coming and going throughout the week, plus some daytime visitors. As usual, the food was plentiful and delicious. We're already looking forward to next year!

**Thanks to Will, Bev and Cheryl  
For making this happen.**

Gorgeous Sunsets

The walkers, after watching a  
pod of dolphins swim by.

Great evenings together on the beach.

## YOUTH DAY

Monique and Tony

The kids loved going out on the boat.

The tarantula! Would you do this??

Simone and the kids, ready for a nature hike.

Cooking up those dogs and burgers.

Each child got a bracelet made by the ladies at San Onofre.

## KIWANIS TROUT DERBY

The Kiwanis Trout Derby will be April 22 & 23rd. I will be taking signups for this event at the April meeting. They will be having the kiddy ponds again so if you've helped in the past you know how much fun and heartwarming that portion of the event can be. Volunteers from our club that help with the derby will be offered a free pancake breakfast and free BBQ at lunch time by the Kiwanis Club. If you have any questions call me or see me at the meeting.
