A Line from your President...

I was notified by the Senior Center that while doing the repairs for the flood damage in the center, they encountered asbestos. They have closed down most of the Senior Center for one to two months. We will not be able to have our main meeting there until the repairs are completed.

They have made arrangements for the main meeting to be held in the Mitchell Room at City Hall. This is the big meeting room on the west side of City Hall across from the Performing Arts Center, and is next to the Credit Union. The address is 101 North Broadway, Escondido, CA 92025.

It was a busy month with some great events. Saturday, March 16th the **Senior Anglers of Escondido** hosted 30 fifth graders from the **YMCA After School Program** to the **12th Annual Youth Day at Dixon Lake**. Our club volunteers took the kids fishing out on the lake. No fish were caught, but they had a great time learning to cast and driving the boats. **Simone Greene** also took them on a nature hike, and afterward we barbecued hamburgers and hot dogs. This is always one of the most rewarding events of the year and the volunteers had as much fun as the kids. A big thank you to **Hank and Janet Skaja, Simone Greene** and all the volunteers who helped to make this a special day.

The day after Youth Day many of us left for the **San Onofre** campout. Despite rain and hail just a few miles down the road, the weather at the campout was pleasant with only one hour and a half shower. Evenings were blessed with beautiful sunsets which outlined Catalina Island. As always, there was plenty of great food. For the second year in a row, one of the highlights of the outing was a delicious corn beef and cabbage feast with **St. Patrick's Day** decorations, cooked by **Cheryl Brandstrom** and **Marge Lovelady**.

So Many Fish.....So Little Time

A Line from your President... (cont.)

For those of you who missed out on the San Onofre outing, we have two great trips coming up. A group of us will be heading to **Lake Hemet** the day after Easter on April 22 for 4 nights. Contact **Monique** and **Tony Smock** if you would like to go. The **Pinezanita** campout will be May 19. We always have a great time fishing at **Lake Cuyamaca**, and wild turkeys and deer are frequent visitors to our camp. Please see camp host **Betty Allen** if you are interested in joining us.

If you are interested in a great saltwater trip, **Barbara Gattuso** is still taking sign-ups for the ¾ day **halibut trip** on the **Chubasco II** on May 6th.

Hank also needs volunteers for the **Annual Kiwanis Trout Derby**, which will be April 27 & 28. Once again, we will be manning the Kiddy Ponds and weighing in trout.

Program Director **Ken Harrison** has lined up a representative from **William's Tackle Shop**, and some representatives from the **Lake Elsinore \$15K Derby** for our guest speakers at this month's meeting.

APRIL SPEAKER

In advance of the 7th **Annual Lake Elsinore Dream Extreme Fishing Derby**, the Senior Anglers of Escondido will welcome the organizer of the event to their April 12 meeting.

William Johnson from **William's Bait, Tackle, and Boat Rental** in Lake Elsinore will be the guest speaker. He will talk about how to fish the lake, tackle, the five types of fish eligible for the derby – Crappie, Catfish, Wiper, Bass, and Carp - all competing for a share of the \$15,000 in prize money.

Johnson's shop at Launch Pointe Marina serves as headquarters for the event.

"My whole reason for doing this is to educate people to the fishing that's going on in Lake Elsinore," said Johnson.

Johnson is known as the "Crappie King" around the lake.

Over 100-two person teams from throughout Southern California are expected to compete in the May 3 - 5 derby.

Club members **Mike Springer** of San Marcos, and **Gary Farrar** of Oceanside, will compete on behalf of the club.

SALTWATER TRIPS

Our May 6 Full Day Halibut trip on the Chubasco is full but we always take standbys. With the number of anglers signed up the cost is \$85.00 INCLUDING TIP. The RB Anglers has a June 8 Day trip to Ensenada fishing the Gamefisher. There are 3 spots left. If interested email **Frank Moton** at frankmoton@hotmail.com.

We had a very nice day at Dana Point on February 19. There were 10 anglers fishing and several sheepshead and short calicos caught. The weather was a bit cool to start but calm seas and a captain who made 5 stops to try to entice the fish to bite. The winner was **Dan Engelbrecht** with a 1lb. 9oz. Sheepshead. Congrats **Dan!!**

LARGE FISH 2019

SURF FISHING TOURNAMENT from Don Continelli

This year's tournament started off with a bang at San Onofre Campground on Camp Pendleton. Competing were **Frank Mancha, Tony Smock, Dan Engelbrecht, Cheryl Brandstrom, Jim Reser and Don Continelli**. 14 fish were landed using artificial sand worms, a speckled grub and **Frank Mancha's** special bait. The fish count included 4 (what we believe were) Sheepshead, 4 Sand Bass and 6 Barred Perch. President **Tony Smock** landed the largest fish a 1lb. 13 oz. Sheepshead and **Frank Mancha** the most with four caught and released. **Tony's** count was three, **Cheryl's** was two and **Jim** caught one.

We fished a sandy stretch of beach at the north end of the campground which was just above the rocks. Using the old "surf rig set up" with a weight at the end of our lines and drop hooks above worked best. The fish were biting on light and dark red plastic sand worms, speckled plastic grubs and another artificial called "fresh bait" (check with **Frank Mancha**).

The next tournament challenge will be on **April 8th, 2019 at South San Elijo State Beach**. High tide will be about Noon. We'll have breakfast at Captain Keno's 158 North Coast Highway, Encinitas at 8:30 am then move south past the campground to Life Guard Tower 13. Tournament check-in will be at Captain Keno's. Late check-in on the beach.

SPOTLIGHTING OUR MEMBERS

Long before I joined this fine club, **Anitra and Dave Gehrke** were serving as recording secretary and a two-term President. Leadership and helping fellow members appear to be in their blood. I noticed that all I had to do to seek their assistance was to give either one of them a soft stare and they would come over to help. At the annual banquet holiday party, we have seen each receive many accolades for all they do for our club every year. **Anitra** has been an integral part of this annual event's committee.

Dave and Anitra Gehrke

Dave and I met in Hammond High School during our Junior year. While getting books out of my locker one of my friends said that Dave Gehrke had just broken up with his girlfriend, so she was going to ask him to the Valentine Dance. Well, I ran faster and landed that date. We married in 1958 before our Junior year at Purdue University.

After graduating we decided to “Go West” to the Golden State. This was with a lot of faith and ignorance. Sitting in Chicago interviewing for a teaching job in Los Angeles they handed **Dave** a map of L.A. and asked where would you like to work? He studied it briefly and chose Watts for its location near the mountains and easily accessible to the beaches. We worked in Los Angeles, Ventura, and Kern Counties over the next 40 years. I was a teacher and **Dave** an Administrator in the public-school system. During that time we raised 3 sons. They were smarter than we were and moved to San Diego after college. We have their three families and seven grandchildren that range from 21 to 31 years of age. After we retired, we followed them down to San Diego.

After moving here **Dave** read an article about the Senior Anglers of Escondido. He attended several meetings by himself. **Dottie Arnold** was Membership and said for him to bring his wife. He asked several times and I thought I had better things to do, **Dottie** said bring her as we go “out for lunch” after the meeting. I came to the next meeting. **Carl** was President and during the meeting he handed me a sheet of paper and said “Could you take a few notes? Our Secretary isn't here today.” We joined in 2003 and **Dave** served on the Board as Calling Coordinator, Magazine Chair, President, Past-President, and Historian. I was Secretary, Membership, Secretary. We both retired from the Board in 2018. Our joining the Anglers has provided lots of events and activities for us to be involved in. We have made lifelong friends in the Anglers. We had always traveled with tent, cooler and cook stove our entire married life. After joining the Anglers, we bought an RV to go on the 10 Angler fish trips each year. I keep a journal and we are currently recording 118 weeks spent in the RV. We have logged 40,000 miles in the RV. FUN-FUN-FUN.

12th ANNUAL YOUTH DAY

Our 12th Annual Youth Day is complete. Thanks to a great bunch of students and terrific help, a perfect day; it could not have been better. The YMCA counselors brought 26 students from six Escondido schools. There were plenty of Senior Anglers there to welcome the kids and counselors. The kids were divided into two groups. The first group went on a hike with **Simone Green** and **Carol Parker**. The other group went fishing or boating with the Captains **Tony Smock, John Tester, Dan Englebrecht, John Jessup**, and on the second group **Al Wilson** was called on to drive a boat. While the fishing and hiking was going on the food and drinks were being prepared by **Janet Skaja, Gary Farrar, Dave Gehrke** and **Hank Skaja**. **Ron Parker** brought his delicious oranges and cut them up for all to enjoy. The day was warm and sunny, the oranges and juice drinks were a perfect refreshment.

When all the kids got back from hiking and fishing the cooks got busy. The cooks, **Ken Harrison, Mike and Karen Springer, Dave Gehrke** and **Ron Parker** got the hamburgers and hot dogs cooked to perfection. The kids and Senior Anglers enjoyed a terrific feast. Hamburgers, hot dogs, chips, juice, oranges and great company. It could not have been more enjoyable. After lunch, the kids created "thank you" artwork that they presented to the Senior Anglers. The art will be displayed at our April meeting. We then gave each kid a Certificate of Accomplishment for being chosen to participate in our Youth Day celebration. We planned to give prizes for the largest fish, but since no one caught a fish, we picked numbers to give out the prizes. A fishing pole set-up given to the club by **Gerry Graf**, was the grand prize. **John Jessup** brought and bought a fishing pole, net and tackle box full of goodies that were also used as prizes. Thank You, **Gerry and John**. The bus with the kids and counselors left the Lake at about 1:00 pm and Youth Day was in the book. Overall this Youth Day was a great success and was enjoyed by all. I would like to give a special thanks to a few people for their extra effort. Without their help the kids may have been disappointed.

- **Ron and Carol Parker** for the oranges, cooking, helping in every area, hiking with Simone and of course the pictures.
- **Simone Green** for sharing her knowledge with the kids.
- **Gary Farrar** for all the extra help.
- All the **Boat Captains**; sorry for the confusion.
- The **Cooks** for another job well done.
- **Arlene Martinez** and her staff for providing a great group of kids.
- **Janet Skaja** for doing everything.
- **Karen Springer** for making key chains to give to the kids.
- **All club members** for supporting this event.
