February Speaker: **John Balogh, San Diego County Sheriff**

John was a special education teacher for 15 years before joining the Sheriff's Department. He has been with the Sheriff's Department for 12 years and has worked at offices in Vista, Encinitas, and Valley Center. He will be speaking on financial fraud/scams with a focus on elderly protection. Scams targeting older adults are on the rise. The most common financial scams targeting older people include government impersonation, sweepstakes scams, and telephone call scams. Many seniors who are victims are too ashamed or scared to report to law enforcement and family members. John's goal is to educate, let people know that fraud is very common, and to remind people that reporting and telling their story will help prevent others from becoming victims. Many examples of what to look for and what to do if you have been scammed or defrauded will be presented and discussed.

## FRESHWATER

I am writing this from beautiful Quartzsite Arizona. Not any fishing going on here, even with all the rain.

### UPCOMING CAMPOUTS

**Santee Lakes - Feb 25 - March 1**

**Wagon Masters: Tony and Monique Smock**

Our Wagon Masters are off on an exciting adventure, but will be back soon. If you have any questions, please feel free to contact Monique.

### YUCAIPA CAMPOUT

There were 19 of us, enjoying beautiful weather, a great campground and some good fishing. The largest fish was 4 lbs. .5 oz. , caught by **Bob Taylor**. The ladies enjoyed some outings, including a trip to the Sketchers Factory Store, Big Bear and Ripley's Farm. We had a great dinner out the last evening at The Tartan in Redlands. Fun trip!

## FRESHWATER (CONTINUED)

### JANUARY TROUT CHALLENGE

Our last fish challenge was a wet and cold one at Lake Wolford, but like good fishermen, we braved the elements.

The one and only trout was landed by **Brian Schultz** .  
It was 1 pound .06 oz.

We will have another trout challenge next month, but have not determined where or when yet.

## SALTWATER

Happy New Year Everyone!

Good News – Christmas is 11 months away and it's time to go fishing! I have some more good news and want to shout out a big thank you to Oceanside Senior Anglers member (and SAE member) **Richard Reed**. OSA has opened their fishing charters to us! If you are interested in going on any of their trips, I will have copies of their schedule at our meeting. If you want to sign up for a particular trip, you will contact their Charter Master directly.

Next, don't forget the Bart Hall Show at the Del Mar Fairgrounds starting on February 15 and running through February 18. It's one of the better shows and usually has some great deals!

Ticket Prices: 16 and over - \$17.00; 15 and under - free; and seniors - \$15.00.

Last of all I just want to remind you that there will not be any surf fishing in February.

See you all at the meetings!

## OUR CATCHES

### LARGE FISH OF THE YEAR

**Freshwater Class I - Jerry Watanabe**

5 lb. 04 oz. Bass

**Onshore Fishing Gene Smallwood**

1.06 lb. Jack Smelt

## ON SHORE FISHING

I hope to get back to Shore Fishing in March. I'll be posting information when we get closer. A few of us decided to go surf on January 25. We started out at the very South end of Cardiff in the pay parking lot. However, we had rain the night before and that morning and the surf was really big. So big that it made its way into the parking lot and there was no beach to stand or fish on. Instead of giving up Jerry thought we should head to the lagoon where it was much calmer.

In attendance were **Frank Mancha**, **Jerry Watanabe** and me. Only one fish was caught, a small undersized bass, but we had fun just hanging out and visiting.

I hope to plan this year's surf fishing events in advance and get them onto the Calendar in March.

## CLUB EVENTS

### TIME OUT TUESDAY

Taking advantage of the last sunny day for a while.

## SUNSHINE

Sending good thoughts to Carol Parker, who was unable to join the group in Yucaipa due to knee issues and physical therapy.

We also heard that Fariba Talebi had two successful cataract surgeries.

### DID YOU KNOW?

February, having only 28 days in common years, is the only month that can pass without a single full moon. This happened last in 2018 and will next happen in 2032.
