SENIOR ANGLERS OF ESCONDIDO

Celebrating 35 years
1975 - 2010

HOOK LINE AND SINKER

PRESIDENT'S PERSPECTIVE

I'm writing this message from the shores of Huntington Lake, the most gorgeous lake in California located in the Western Sierras out of Fresno.

The streams are flowing fast and the lake is full. At 6000 ft. Patches of snow still dot the landscape. We left for Huntington immediately following our 35th Anniversary Picnic at Lake Dixon. We made it through L.A., the grapevine, and Toll House Grade with flying colors.

There are so many people to thank for their contributions to the Anniversary Picnic. The Planning Committee consisted of Ron Parker, Bill Kirchnavy, Carl Arnold and myself. Bill of course was also in charge of the eats. He and his group did a fantastic job of procuring, setting up, cooking, and cleaning up. Most of the displays we provided under the watchful eyes of Ron and Carol Parker. Al Green our Apparels Director, had a 35% off sale in honor of the occasion, George Martinez conducted the drawing. Betty Johnson and Anitra Gehrke were the high bidders for the Senior Anglers Watches.

Mayor Lori Holt Pfeiler and Lake Superintendent Tony Smock shared their insights on the club, Mayor Lori also presented to the club a certificate of appreciation for our work with the community for the past 35 years.

Sandy Martinez displayed 40 knitt/crocheted hats made by our ladies for cancer patients and others. Charter Member and Past President John Quier, 1988, received the Pioneer Award from Sharon Martineau.

July is the time of year when members take off on their own or with family. Remember to take along a "Trip Report" so you can record that big fish you catch. It could be a club champion in the Class II category.

Lastly, our Nominating Committee comprised of Ron Parker, Bob Perdue, and Minerva Martinez would like you to serve on next years Board. Please volunteer or take a position if asked.

Al Green

Al Green is currently Apparels Director for the Club.

► **Dave:** How did you become interested in fishing?

► **Al:** When I was a small boy my dad and uncle would get up at 4:30 am and take me along with them. I was the only sibling willing to get up so early.

► **Dave:** What kind of fishing did you do?

► **Al:** I grew up in the Cincinnati area. We mostly pan fished in the lakes formed from the gravel pits and in the local rivers.

► **Dave:** How did you get to California?

► **Al:** I spent 18 years in the Marine Corps and stationed most of that time in California. When I got out, we settled in San Diego.

► **Dave:** How did you hear about the Senior Anglers?

► **Al:** My wife, Simone, is a docent for the Daley Ranch. She took the YMCA kids for a nature walk when they weren't fishing with the Senior Anglers.

Tomas Martinez talked with her and gave her an application...

► **Dave:** What is your favorite type of fishing?

► **Al:** I like it all, but bass fishing probably tops the list. I considered going professional and did win a few bass tournaments, but the commitment was too great to go full time. I love ocean fishing also and have fished much of the Pacific Ocean while stationed in various countries.

We really enjoyed the Cabo trip last year set up by Barbara Gattuso.

► **Dave:** Any other hobbies besides fishing?

► **Al:** I enjoy motorcycles and shooting. We also love travelling in our Motor home.

► **Dave:** Thanks, It's been fun getting to know you better. You are a valuable member of the Senior Anglers.

June Fresh Water Report

Trip Report: Pinezanita/Lake Cuyamaca : June 7 to 11

As usual, this turned out to be a great outing. Fishing was good with several limits, over 80 caught in 3 days. Nothing real big (unless you compare to Hemet).

Warren Estes won jackpot with a 1lb. 11.1oz, rainbow. He also won big fish of the day twice. Fortunately for Norm Martineau, Warren did not fish Thursday, so Norm had biggest fish that day.

Al and Simone Green put on quite a feast as Wagon Master and Mistress. Tuesday night they provided a big pot of homemade chili for all. And on Thurs. Al grilled chicken and carne asada.

I told Al he was making a tough act to follow, so we just might have to make him permanent Wagon Master. Anyway, kudos to Al and Simone.

Simone led a couple of nature walks, which were really enjoyable. The first was Azalea Loop, quite a feat for some of us. The other was around the lake and a little easier. The scenery was beautiful on both walks. We look forward to more of these in the future.

The ladies, led by Sandy Martinez, sewed and crocheted hats for kids with cancer. There were a lot of hats completed and Sandy will be working to find the right place for the donation.

We will be going back up to Pinezanita in October (18th – 22nd). If you missed this trip, be sure and try for the October trip. Pinezanita is a beautiful campground, we have always caught fish, and it is close to home. We started sign-ups at the June meeting, so sign up soon, to pick your favorite campsite.

Larry and Betty Allen will be our Wagon Masters and you can call them with any questions.

Next Trip: June Lake: September 8 to 15

In the fall we'll be off to our spot in the Sierras. Karen and I will be Wagon Masters with Dave and Anitra as Assistants. We always enjoy good fishing up here as well as the incredible beauty.

The deposit is \$109, and your check should be made out to Pine Cliff RV Resort.

For any late sign ups, please contact Karen or me as soon as possible. You will probably need to contact the resort and mail them your check.
