## *A line from your President...*

By the time you read this, the camping group will have returned from another beautiful trip to **Pinezanita/ Lake Cuyamaca**. With 1200 lbs. of trout stocked on May 22<sup>nd</sup> from **Jess Ranch**, we should have some tall tales to tell.

Saltwater fishing on the ½ and ¾ day boats continues to focus on bottom fishing, but the Calico bite is starting to pick up. Longer range boats are finding Yellowtail and quality Bluefin tuna.

The club ¾ day outing aboard the **Chubasco II** for June 22<sup>nd</sup> is filling up. If you are interested in going, contact **Barbara Gattuso** as soon as possible. This will be our first outing out of the new Oceanside facility, and we are expecting good fishing and a fun time.

Other club activities include the Club Picnic on July 18<sup>th</sup> at **Dixon Lake**. **Ken Harrison, Cheryl Brandstrom, and Marge Lovelady** will be pooling their skills to host this one. On the August 29<sup>th</sup> picnic at **Dixon Lake**, **Ron Casapulla and Monique and Tony Smock** will be teaming up for something new, a **Hoagie Sandwich Bar**. Both picnics will be in the evening so we can take advantage of the cool breezes coming off the lake. Signups will continue at the next meeting for the September **June Lake** camping trip.

Although our club elections are a few months away, June is the time to select a nominating committee. The committee will develop a list of members who would like to serve as officers and board members. Please let me know if you would be willing to be on the nominating committee.

## SALT WATER

Fishing is going to be different up in Oceanside. We all agreed to give it a try. Fishing has been good even with the low water temp and brisk SE winds which is really typical of May fishing. By June the red tide will be gone and the fishing even better. The Chubasco is catching nice Halibut, Bass, rock fish and even white sea bass. This is a different area to fish and I believe a white sea bass is a prized wonderful tasting fish. There's plenty of bait in the water and when the wind stops blowing the fishing will explode!!

## SALT WATER (CONT.)

Remember if you catch a legal white sea bass to take the head to one of the Hubbs drop off places so they can track and monitor the fishes diet, growth, movement and survival rate from the Carlsbad Hatchery. Helgrens is an official drop off site.

Our 3/4 day trips are:

Friday June 22 and July 26 from 10AM to 7 PM.

Leaving from Oceanside Sea Center, 315 Harbor Dr.

PLEASE NOTE THE TIME OF DEPARTURE!!!!

### SURF FISHING

*From the shore at Carlsbad State Beach . . .*

The May 14<sup>th</sup> Surf Fishing Tournament was held at Carlsbad's North Ponto beach. Club competitors enjoyed another great meal at Tip Top Meats, before heading out for an afternoon of fun fishing. The weather and surf conditions were great.

Our club members in the tournament included: **Cheryl Brandstrom, Don Continelli, Jim and Lynda Davidson, John Duke, Gary Farrar, Ken Harrison, Hank Mabrey, George Mayfield, Bill Modi, Jim Reeser, Henry Skaja, and Patrick Smick.**

After about an hour of fishing, the bite hit for about 45 minutes half way between low and high tide. Overall, six fish were landed. The largest being an 11oz. Barred Surf Perch by **Don Continelli**, now the tournament leader. **Ken Harrison** had caught the tournament record, a 10 oz. Corbina, only to be topped by Don 10 minutes later.

The other fish were either Perch or Corbina. This is a good sign the remainder of the tournament could produce some larger fish.

## SALT WATER (CONT.)

Our next competition is set for June 11<sup>th</sup>, at the South Jetty at Oceanside Harbor. We'll meet for lunch at 1:00 p.m. at the Rockin' Baja Lobster restaurant in the Harbor Village, same parking lot as the jetty. Low Tide is at 1:45 p.m.; we'll be fishing by 2:30. Need bait? Reminder Angler's Tackle up the street on Coast Highway offers a 10% discount to members.

It's not too late to join the 2018 SAE Surf Fishing Tournament. 23 members have already. A one-time fee of \$10 signs one up for the entire year of monthly meets. Grand Prize for the biggest fish – an amazing **Bill Varney** Signature Cousins 8.5' Surf Rod –\$270 value.

*From Tournament Chairperson **Don Continelli**, Assistant **Ken Harrison***

### LARGE FISH 2018

Class I      Dave Gehrke and Tony Smock      13.6oz blue perch from Dana Point

FYI, the San Diego International Boat Show is June 7-10 for those interested in getting a boat or seeing all the latest and greatest accessories. Spanish Landing Park East across from the airport, 3572 N Harbor Dr.

Go Fish!

### HOAGIE BAR

It will be hosted by **Ron Casapulla and Monique and Tony Smock**. More details will follow, but you should mark this on your calendar.

## COMMUNITY EVENTS

Now that Youth Day and the Kiwanis Derby are over, it will be a few months of no activity on the Community Events calendar. Time now to enjoy the many events scheduled by our Senior Anglers club. With all the fishing, camping, picnics, surf fishing, plus a day at the house races, it looks like a busy and fun summer for everyone in our club. There is something on the calendar almost every week.

The next Community Events item is the Escondido Trout Derby at Lake Dixon. We do not have exact dates as of this now but hope to by the July meeting.

I hope to see everyone at the meeting,
