## *Fish Tales from Your President's Perspective.*

Where did May go???

I cannot believe we are getting into June already. Soon our grand and great grand kids will be starting summer break with all the energy and joy that brings. Don't forget, for those who are lucky enough to be around them, go fishing, camping, baking or read a book with them. I even had a friend do a zoom meeting with two of his while he was fishing at Wohlford and they were fishing at a pond in Missouri. Don't worry about knowing how to set up the call, the kids will walk you through it.

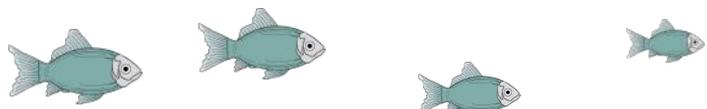

Speaking of walking you through it, how about that presentation last month? They have sure built a wonderful center up there in Santa Ysabel. Sounds like a great place for a picnic or a good place to have some lunch on our way up to Cuyamaca sometime.

This month's presenter will be extremely informative about the do's and don'ts of sun exposure. He is the dermatologist to the elite of fishing (okay **Ron Parker** and some other members) and can help us understand how we can take care of ourselves and prevent, identify, and treat the various maladies that can arise. This could be a lifesaver so don't miss it. Remember to bring some guests along to all our meetings.

Oh yeah, that brings me back to Cuyamaca and our Pinezanita campout. You can find out later in the newsletter but just a teaser. They actually caught fish on the campout. I'm so excited to hear of everyone's adventures and who had the best campfire stories.

Do you have any stories to share? Send us some of your adventures and stories. We would love to hear them and share them on Facebook and our website [www.SeniorAnglersofEscondido.net](http://www.SeniorAnglersofEscondido.net) along with this newsletter.

So Many Fish.....So Little Time

## *Fish Tales from Your President's Perspective.*

The fishing has been great both Freshwater and Salt. Many of the boats are coming back with 60, 80,100+ pound Tuna. Rockfish are doing great as are the white seabass. On the freshwater front the Bass are still striking with San Vicente producing some steady catches including a couple of 8 pounders by one Escondido resident who will remain nameless because he failed to invite me on the trip.

For you local trout fanatics our own Doane Pond (The hidden jewel of North County) will have another and maybe the last stock for a while on June 9. Such a close drive to feel like you are in the Sierras.

If you made it to Day at the Docks last month you may have seen that our own COWBOY (Gary Vanderlyke) fell and broke his hip. He is recovering at Pomerado hospital and will be in rehab for a while. I met with him and he was looking good after a couple of not so pleasant days. He is looking forward to healing and joining us as soon as possible. In the meantime, keep him in your thoughts. We will miss him at the meetings.

Our lives are meant to be lived, get out and enjoy the fresh air and friendship of fishing, camping, and being outdoors. See you on the 10<sup>th</sup>.

*Paul Lonson*  
President

## PROGRAM

Dr. Jay Grossman will be our June speaker. He was born in Philadelphia and attended Temple University. He did graduate work at George Washington Medical School in Washington, D.C., took a dermatology residency at Balboa Naval Hospital in San Diego and was on the staff at Bethesda Naval Hospital in Maryland.

He was in private practice in North San Diego County for 35 years and on the staff at UCSD during that time. He is a former president of the San Diego Dermatology Society. Jay volunteered for 19 years at Camp Discovery sponsored by the American Academy of Dermatology for kids with skin diseases.

Dr. Grossman will discuss the health risks associated with UV light exposure and how to maximize protection when enjoying outdoor activities during sunlight conditions.

## FRESHWATER FISHING

### UPCOMING CAMPING TRIPS

#### June Lake — September 18-25

Wagon Masters: **John and Linda Perdue** Assistants: **Gary Beckman and Ann Savage**

This is one of the most enjoyable campouts located in the Sierras at Pine Cliff in June Lake. Due to fires the last two years it had to be canceled, so we are really looking forward to the campout this year. For those not able to RV there are condos and hotels for rent nearby. There was a company you could rent a trailer from and they would move it to your spot and hook it up, however, they are no longer doing business with Pine Cliff. There are so many lakes to choose from for fishing, sight-seeing locations and hiking trails to be enjoyed.

The cost is \$48.16 per night and \$337.12 for the week. A cashier's check or money order for \$168.00 made out to Pine Cliff Resort is the required deposit. The balance \$169.12 **in cash**, is due upon arrival at Pine Cliff. The \$168.00 cashier's check or money order and the information requested on the info sheet will need to be sent to me by August 1. You can bring your payment to the meeting or mail to :

Linda Perdue, 905 Carriage Dr., San Marcos, CA 92069.

If you are interested and have not signed up, please contact me at [lindaperdue@me.com](mailto:lindaperdue@me.com) or text 760-535-3877.

Wagon Master

#### Santee Lakes - November 6-10

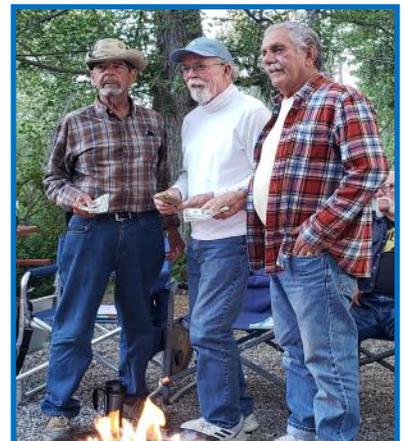

Wagon Masters: **Tony and Monique Smock**

Santee is taking reservations now for November. They are stocking on Nov 5. If you have Good Sam you can book online, and then call and they will adjust the price. The Smocks are in site 125. It would be helpful if sites 133,131,and 128 are booked as they are close and we would not have to move tables.

### PINEZANITA/CUYAMACA CAMPOUT

The trip to Pinezanita was a lot of fun and it was great to see everyone. The first couple of days were pretty windy. Despite the first day with very few trout caught, the group decided to keep the derby as trout only. There were nine members in the derby, with a total of 21 fish caught and 17 of those were trout. The winner of the challenge was **Bob Taylor** with a 2 lb. 8 oz. rainbow trout. **Larry Allen** and **John Testor** tied for second

## MORE FRESHWATER FISHING

We saw a variety of wildlife including lots of Canadian Geese with their young, wild turkeys, bald eagles and deer with a variety of wild birds. One of those birds pecked a hole in Tony's worm container and ate all of his worms.

*Al Wilson*  
Freshwater Vice President

## SALTWATER

Sorry that I missed the May meeting but I expect to be there for June. Natasha and I spent a few weeks in New York.

I received only one response to my questions about setting up an SAE saltwater trip so it looks like we will not have enough interest to set up a trip of our own. We can talk about that further at the June meeting.

For now, I am planning to go on a couple of Rancho Bernardo trips, specifically July 26 and August 25 day trips. These trips go out usually at 6 am and return at 6 pm. They are \$225, not including meals, are on the Voyager, and limited to 14 anglers. Having a full day allows for sufficient time to get to the bluefin fishing grounds if they are running. Rancho Bernardo requires payment in full when signing up for these trips. As of this writing, they have six openings on each.

Saltwater Vice President

## ON-SHORE FISHING

Our On-Shore Fishing Chairperson is down and out with COVID. We're wishing her well and looking forward to a report in the next newsletter.

## OUR CATCHES

### LARGE FISH 2022

**Class I Freshwater:** Bob Taylor 4 lb. 8 oz.  
Rainbow Trout

**Class II Freshwater:** John Tester 7lb. 6oz.  
Rainbow Trout

## COMMUNITY EVENTS

### ESCONDIDO STREET FAIR

The **Senior Anglers of Escondido** returned to the Escondido Street Festival (or Fair) on Sunday May 22. Based on the turnout, we should pick up several new members. The club participation was great: We had four members for set up, then 2 person teams for 1 ½ hour shifts thru the day. **Albert and Colleen** had the final two-hour shift and then took care of the tear down! Thanks to everyone who pitched in.

We shared the booth-space with Hidden Valley Kiwanis: what a great partnership for the club. **Ron Parker** supplied a TV monitor and video presentation, **Paul Lorson** supplied the power. Ron's presentation showed photos from freshwater campouts, challenges, and the derby/kiddy pond, as well as shore fishing and boat fishing on the ocean. There were many members and many great fish on display.

**Linda Perdue** brought information sheets to pass out, as well as the membership sign up forms. By the end of the day, we had given them all out to interested attendees. Hopefully we'll see some new faces at the June meeting.

## FISHING FOODIES

The winner of the Fishing Foodie \$25 gift card to Chili's was embarrassingly me, Linda Perdue. Eight of us ( **Karen Taylor, Linda Perdue, Betty Allen, Marty Colling, Marge Lovelady, Colleen and Al Wilson and Larry Pall**) enjoyed good food and company and got to know each other a little better.

The Fishing Foodies \$25 gift card for June will be from **Tony Pepperoni Pizza** in Escondido. Thanks to **Rich and Cindy Bruemmer**, Tony Pepperoni donated a \$50 gift card to the group that eats there after our SAE club meeting.

# SUNSHINE

**Nat Estes** in the hospital. She has a broken bone in her hip, and they discovered some cancer in the hip and spine. They have already started radiation and are still doing testing to determine the best course of action.

**Cowboy** (Gary Vanderlyke) is recovering from his fall and broken hip. **Cheryl Brandstrom** and I have had COVID, and are both recovering.

We hope the rest of you are keeping healthy. Let me know if you know of anyone who is sick or in need of a card.

## DID YOU KNOW

In 1987, President Reagan decreed that June 25 was Catfish Day? Catfish are one of the oldest fish species.
