It has been a busy month for me finalizing various positions and dates. I am happy to say that we are almost there. The strength of our club is that people are happy to help out and support our activities.

We have four picnics scheduled this year. We are starting off with an Italian Feast under the direction of Ron Casapulla on April 20.

The annual Fish Fry will be May 19 with Norm Martineau heading that up. Start saving those fillets to donate to this event.

Bill Kirchnavy is in charge of the Annual Picnic on June 16.

Bob and Barbara Hughes are heading up the Turkey Fry in October. They are new at the job so are looking forward to you volunteering to help out to make this event a success.

Our Board of Directors is now complete with Roy Roque taking the position of Public Relations and Anitra moving over to fill the vacancy of Membership.

I personally want to thank Minerva Martinez for doing a double job these past two months as she kept membership going while also doing the newsletter. Thank you. Thank you.

The Club had a well rounded slate of Saltwater Activities & Freshwater Fishing Trips scheduled throughout the year along with several outings such as the Annual Spring Picnic, Annual Fish Fry, Turkey Fry and Silent Auction, and the Awards Banquet in December. During the year we had seven camping trips two with very good turn outs, Lake Lopez and June Lake. We also used Pinezanita Campground again a short distance from Lake Cuyamaca. Thanks to Barbara we used a joint venture with the RB Anglers Club for our salt water fishing. Barbara also organized a repeat trip to Los Cabos, Mexico. Lake Hemet was also used again. Sadly we lost some members and others had successful surgery.

SUMMARY OF YEAR 2009

Cont.

Many thanks to all the people responsible for and participating in making all the events a huge success. The club started out in January with a total of 99 members 183 memberships and ended up in December with 130 members and 255 memberships showing an increase of 31 members (some members were late in signing up). The buddy system was continued. Guests are greeted at the door and escorted around the club to see its offerings and meet other club members.

The Public Relations Director Sharon Martineau saw to it that the club got some exposure in the newspaper and various other newsletters. Not only does this club fish, but it also participates in the various activities of Escondido related to fishing. We had our second YMCA Youth Fish- Out at Lake Dixon and helped with the Escondido Trout Derby at Lake Dixon.

The annual awards banquet was held on December 2 at the Escondido Country Club and was a huge success. Many thanks to Carmen & Tom Martinez and the others who helped.

Trip Report

Lake Morena, Feb. 22 to 26

We have just returned from another great campout at Lake Morena with 41 campers. Wagon Masters were Norm and Kathy Martineau who did an excellent job. We had some very good meals and socializing. Norm & Kathy's "card BINGO" game was such a hit, we had them do it a second night!

Fishing was pretty good with lots of limits, but also a few whiffs, for a total of 72 trout. The fish were not as big as last year (how could they be?), but there were some 3 plus, a couple of 4 plus, and a jackpot winner of 5lb. 12oz., caught by our freshwater VP.

The ladies had a great time sewing and playing games in the nice warm gazebo. Sharon Martineau provided direction for a quilt pattern, and some pillowcases were made for children with cancer, one of our projects for this year.

UPCOMING TRIPS

Santee Lakes March 14 to 18

Turnout has been small for this trip, but I think this has potential to be a fun outing. Contact Dave or Anitra Gehrke if you would like to attend and they can help you arrange a site. Also, it is less than 30 miles from Escondido, so a day trip will be easy.

Lake Hemet April 26 30

Marv and Joyce Van Voorst are Wagon Masters for this trip. They started taking sign-ups at our last meeting and I believe they already have about 14. This is another of the trips that is not too far, about 70 miles from Escondido. If you have never been to Lake Hemet, it well worth the trip. It is at 4000-foot elevation and with tall pines. For us Southern Californians it's like being in the Sierras. I'm predicting we are going to have really good fishing there at that time of year.
