

HOOK LINE AND SINKER

PRESIDENT'S REPORT

Thinking back over the past month of April, our club had 3 major activities. It started with our clubs speaker, Ernie Cowan. He is a true friend of us Anglers and his High Sierra message is always relevant and entertaining. Then there was the 1st of our Picnics with Ron Casapulla cooking his famous Italian sausages. A fun time was had by all. Congratulations to Ron, his cooks, the women who brought desserts, the set-up and clean-up crews and to George and Minerva for keeping us organized and having a raffle.

I'm now sitting in my RV at Lake Hemet. What a beautiful location. We've had it all. Snow, rain, weather from the high 20s to the low 80s, winds from 0 to the 30s. This place could compete with Huntington Lake in the western Sierras as one of our favorites. Marv and Joyce VanVoorst were the Wagon Masters David and Sandy Martinez were their Assistants... Great job!

May is no less busy. The Trout Derby kicks off the month at Lake Dixon. Then we have our annual Fish Fry also at Dixon. Then there's the ¾ day ocean fishing trip. The last trout plant at Lakes Dixon and Wohlford is May 12.

Those Thursday fishermen might have some time to get to those "honey dos" the last part of the month.

Remember to keep your feet dry and lines wet.

Shelley Wagner

SHELLEY WAGNER has been a member of our club for the past 5 years. She is currently serving as Director of Calling.

► **Dave:** I haven't seen you for the past 2 months. Where have you been?

► **Shelley:** I've been visiting my sister and her family in Australia and New Zealand. I try to see them at least every 2 years.

► **Dave:** How did they get over to Australia?

► **Shelley:** After I graduated from Humboldt State, I taught school in Australia for 7 years. My sister came over to visit. She stayed. I came home and taught at Poway High for the next 20 years.

► **Dave:** How did you hear about the Sr. Anglers?

► **Shelley:** My dad, Don Egerer, was a member many years ago until he became disabled. I've lived in Escondido my entire life except for the time in Australia.

► **Dave:** I noticed your e-mail address is "wilv2flyfish".

► **Shelley:** I started out with a spinning rod and reel, but after buying a fly rod I fell in love with fishing. I've been active in the San Diego Fly Fishing Club for years. I like tying my own flies and catching fish with them. I do both fresh water and salt water fly-fishing.

► **Dave:** I see why you have been named "Woman Fisherman of the Year". It's been great having you a member of our club.

APRIL 2010 FRESH WATER REPORT

Our April outing was at Lake Hemet. It came too late in the month to make this months report. I'll tell you about it next month. I was told they planted 6000 to 8,000 (yes, thousands) pounds of trout the week before our trip, so it should be a great report.

Still getting some action at our local lakes. Due to my surgery I haven't been able to get out, but I have heard of several of our club members being there and getting a few nice trout and other fish.

The biggest being Barbara Gattuso 6.5 lb. trout at Lake Dixon. She even got her picture on front page of Outdoor News. Congrat's Barb!
