A Line from your President...

Ten RVs went to the recent **Lake Cuyamaca/Pinezanita** campout. During the week we had five more club members, and **Joanne Jauret's** daughter **Amy**, visit the outing. Good company made for a great time, but the fishing was gone with the wind. Strong Santa Ana winds blew at the lake every day we were there. Despite terrible conditions, club members were able to bring in fifteen fish. For the second outing in a row, trout master **Dave Gehrke** won the biggest fish award with a 1.5 lb. trout.

Betty Allen, with moral support from **Larry**, did a great job of organizing the event. This outing we tried something new, **Dave Martinez** and **Larry Allen** both brought propane fire pits. This allowed us to have fires during the red flag warning period and provided a great smokeless campfire experience. All of us who attended owe **Dave** and **Larry** a big thank you.

The last **Surf Fishing Challenge** for 2018 was held on October 15th at South San Elijo State Beach. **Don Continelli** repeated last year's performance by winning this year's **Surf Fishing Tournament**. Watch for more information about this event later in the newsletter.

The **Santee Lakes Recreation Preserve** is holding an opening day trout derby on November 3rd and 4th, just before the club campout from **November 4th - 9th**. Last year's outing resulted in some of the club's best fresh water fishing of the year. Several trout over 5 lbs. were taken. We expect this year's fishing to be just as good. This is our closest camping venue and has some of the most accessible fishing of any location we go. If you are interested in joining us for the day, a good day to visit will be Wednesday. You can join us for YOYO night when most of us will be going to dinner at Fillipi's Pizza in Santee.

Jimmy Eghaneyan and **Fariba Talebi** will be sharing their beautiful home with us again this year for the **Fall Feast**, which will be held Tuesday, November 13. Besides great food, this is the event that we have our annual **White Elephant Auction**. Search your garages and cupboards for any gently used items that you would like to donate. Please bring these in to the next meeting and give them to **Marge Lovelady**. For those signed up to bring food, plan to feed 20. See or call **Colleen Wilson** for more information.

The annual bus trip to the **Viejas Casino**, November 30th, still has seats available. Call **Barbara Gattuso** if you would like to sign up.

Also beginning November 30th will be the Annual **Dixon Lake Trout Derby**. This three-day event will include the **Kiddy Ponds** on Saturday and Sunday. Please see **Hank Skaja** to help with this event.

For a great time, the annual **Awards Banquet** is December 5th at the **Rancho Bernardo Country Club**. For questions contact **Betty Allen**.

Tony and Monique are Wagon Masters.

Yucaipa Regional Park

January 13 –20

Dave and Anitra Gehrke have stepped up to be our Wagon Masters. See them at the meeting for more information. You will need to schedule your own reservations by calling 909-790-3127 or go to www.sbcountyparks.com and register online. We want to reserve sites 14 to 20 or 33 to 42 in the Middle Loop. There are three lakes here with one being stocked each week. It's also a fairly short drive.

PINEZANITA/CUYAMACA CAMPOUT

Sixteen members enjoyed the campout. It was a little cold and the fishing left something to be desired, but we had a great time. The winner of the fish challenge was **Dave Gehrke** with a 1lb. 5oz. **Dave Martinez** came in 2nd and **Tony Smock** took 3rd place. We tried a new place for dinner, Romanos Italian. Yummy!

SALT WATER

Don't put your tackle away just yet. The fish just don't want to stop biting. The Oceanside 95 came in with limits of Tuna from a one-day range!! The Liberty loaded up with great eating fish from a 3/4-day trip!

Brenda McQueen and **Ron Quinan** are going to Cabo Sunday to hopefully catch some of the large tuna that are biting!! I will be there as a bystander to cheer them on. I am now taking signups for next year's Cabo trip Oct 30 to Nov 4.

If you want to have a fun day and see all the latest and greatest tackle head down to Fisherman's Landing for TACKLE DAY. It is Saturday, Nov 3 starting at 8:00 am.

If you have tackle and need repairs or tune ups for the winter contact **Don Kay** 760-807-4682. He does a great job and very reasonable.

Remember you have until November 5th to get your large fish report in for 2018.

SURF FISHING

From the shores of Cardiff Beach . . .

On October 15, it was another beautiful SoCal beach day at Lifeguard Tower #13, the last surf fishing for the 2018 Club Tournament. We thought the warm Santa Ana winds blowing from the east would help our casts go a little further out, but alas, the wind was blowing strongly southwest, moving our lines to the left.

What had been a great "catching" spot two months ago saw just a little action. And some seaweed, yet no sand crabs. It was still a very nice day to get a little wet and fish with good friends.

Ten anglers participating were **Frank** and **Pat Mancha**, **Hank Mabrey**, **Ron Bloom**, **Henry** and **Janet Skaja**, **Gary Farrar**, **Ken Harrison**, **Ron** and **Don Continelli**.

SALT WATER

Frank Mancha pulled in the biggest fish, a 2.4-ounce Sand Dab on a Berkley worm. Pat Mancha pulled in a smaller Corbina. Frank tried to increase his odds by first tricking weigh master Ken Harrison, keeping his sinker hanging on the line several feet below the hanging scale. "I suppose I should take this off?" Frank laughed, holding the sinker.

After a few hours of fishing, the group celebrated the end of the 2018 Tournament with chips and salsa, and a few adult beverages, at Cardiff's Las Olas Restaurant, conveniently located right across the street from Tower 13, which didn't mind our wet trucks or sandy feet. The winners of the 2018 Tournament will be announced in the next newsletter, along with some great ideas for the 2019 Tournament including monthly jackpots and a surf fishing campout in the Santa Barbara area. Prizes will be awarded at the club's Award's Banquet in December .

LARGE FISH 2018

Class 1 **Brenda McQueen** 16# Dorado
 Class 2 **Bob Taylor** 28# Yellow Fin Tuna
 Surf fish **Don Continelli** 2.3# Corbina

COMMUNITY EVENTS

The Escondido Trout Derby will be here in a few short weeks. The November meeting will be the last official time to sign up for either the weigh station or the Kiddy Pond. There is a need for additional help on all three days at the weigh station and a few more volunteers at the Kiddy Pond would be helpful.

In addition, there may be a need for a few members to help the Kiwanis Club (Jim Mac Isaac) assemble the Kiddy Ponds a few days prior to the Derby. This usually takes several hours, and it must be complete prior to the fish arriving at the lake. See Jim or myself if you are available and would like to help.

See you at the November meeting,

Hank Skaja

If you have questions about what to bring, give **Marge** a call.
