November 2022—Volume 46 Issue 11

Fish Tales from Your President's Perspective.

Oh what a beautiful fall day today has been. I am writing this from Vail Lake KOA. It's kind of funny as you can't get to the lake from inside the campground (legally that is) and there are no fishermen staying here this weekend. That is because all 500+ spots are filled with Halloweeners. Almost every site is decorated in some way and they have many events and play areas for the kids. Saturday night there will be thousands of kids, young and old, trick or treating. It is amazing and can be a madhouse. Not what you would call a relaxing evening but quite the show. Yes, our site is decorated as a graveyard - our motto is "we can't wait for you to join us".

Where we live is truly a blessing, we have so many fishing and camping opportunities within a couple hours or less. Beautiful beaches, majestic mountains, awesome meadows, the ocean, deserts and lakes all waiting for us to visit them. November is a fishtastic month to be a Senior Angler.

I am still enjoying the catch from September, and October that I was lucky enough to be part of. My smoker has been busy with trout, various ocean bass, rockfish, and Bonita. Tried a few new recipes, a couple of which are keepers and baked some catfish to perfection. Now I need to fill my freezer again.

The club will be at Santee Lakes for opening day of trout season there. It's so close you should come and join us for a few hours or days.

Planning and prep is in full swing for our annual Holiday Party on December 7. It looks like another fantastic evening of food, entertainment, and fun. Make your reservations at the meeting. I hope to see you all there.

If you have any outings planned let us know how they go. I will be in the desert Veterans day weekend and hope to hit a couple of my favorite fishing spots. Golf course ponds and the All American Canal. Maybe I'll stop by my old stomping grounds of Weiss Lake and Red Hill Landing on the Salton sea.

So Many Fish.....So Little Time

Fish Tales from Your President's Perspective.

For Thanksgiving, after one family gathering here in Escondido we will be packing up the turkey and heading to Borrego Springs for the other family get together. As you can see November can be a busy camping and fishing month.

In our planning for next year, I would love to hear your thoughts about camping/fishing outings both freshwater and saltwater. Since the ocean bite is expected to continue, we will need to be setting up our charters as soon as possible. Let **Gerry Graf** know what your preferences are and you can let any board member know where you want to go camping.

Remember our meeting will be on the third Friday this month November 18, due to the Veterans Day holiday on the 11th. Have a wonderful November and see you all at the meeting and Santee Lakes

FRESHWATER

UPCOMING CAMPOUTS

Santee Lakes – November 6-10, 2022

Wagon Masters: Tony and Monique Smock

We'll have pictures and hopefully a great fish report in next months issue.

Puddingstone Lake - January 8-12, 2023

Wagon Masters: Al and Colleen Wilson

We are just starting to plan this trip and hope that some of you will be interested in trying this new, for us, location. More information will follow.

Lake Morena - February 12-17, 2023

Wagon Masters: Bob and Karen Taylor

This lake has been very good to us in past years, with some very big fish caught. We will have use of the Pavilion again, which is a wonderful place to gather and stay warm, if we have at least 10 rigs registered. The price is \$33.00 per night. These days, that's a bargain.

We will begin signups for both of these outings at Lake Santee and continue them at the November meeting.

Keep fishing,

Al Wilson

Freshwater Vice President

SALTWATER

It's been a pleasure being the Saltwater Vice President for 2022. the one trip we did manage to schedule and fill on the Pronto was a great success. Everyone went home with a good sized bag of fish. Hopefully, in 2023, we can schedule and fill more than one trip.

Saltwater fishing had a pretty successful season. Those of you who went on Oceanside or Rancho Bernardo trips had some top notch fishing. Blue fin tuna were plentiful and the dorado at the end of the season were amazing. I hope that many of you had a chance to experience that fishing.

As most of you know, I schedule side trips to Alaska each summer to fish for salmon and halibut as well as other species. We have a few spots available on our June trip to Sitka and possibly one or two spots on our August trip to Ketchikan. Give me a call or send me an email if you are interested.

Gerry Graf

Saltwater Vice President

ON-SHORE FISHING

I want to apologize for not planning outings for the last couple of months. Between having Covid and some other personal things (watching my Grandson full time right now), I just haven't had time. Imagine that, retired and no time.

Anyway, I hope to be freeing up a few more days a week after the first of the year and start us up in March again. If any of you want to plan an outing, please feel free to do so and let me know so I can have KT send a message out to the club.

Happy Thanksgiving to all and see you at our next meeting and of course, after the Holidays.

If you have any questions or suggestions please feel free to give me a call, text, or e-mail.

Cheryl Brandstrom
On-Shore Chairperson

SUNSHINE

We received sad news this month. Lee Wood, who served as our President in 2001, passed away October 23 in Virginia, where he was living with his daughter. There may be a service here some time in the future.

Roy Roque, who was a member of our Board of Directors, passed away on October 12. Our sympathy to both families for these men who gave their time and commitment to this club.

DID YOU KNOW

that Veterans Day was originally call Armistice Day?

November 11 marks the 11th hour of the 11th month of 1918 when an armistice between Germany went into effect, ending World War I.

COMMUNITY EVENTS

DIXON LAKE/KIWANIS TROUT DERBY

The Dixon Lake /Kiwanis/City of Escondido Fishing Derby will be on December 2, 3, and 4. Volunteer signups will be mainly at the next club meeting, which is only two weeks before the derby, so please make plans NOW to help the club and the derby,

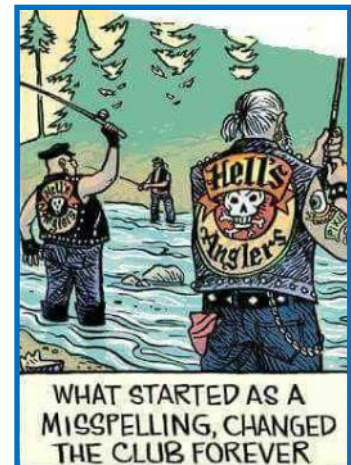

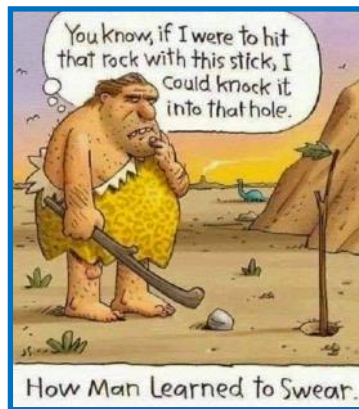

Kiddie Pond construction will be on Monday November 28 from 3 to 5 pm, with stocking on Thursday, December 1st from 11am to 1 pm. The stocking is a blast to see!

The derby will be from 6 am to 5 pm on Friday and Saturday and from 6 am to 4 pm on Sunday. The club should have 3 people on site for the derby (multiple shifts) and 5 people for the kiddie pond, usually 2 to 3 hours in the morning and 2 to 3 hours in the afternoon.

The Senior Angler members really step up for this event: sometimes time slots have lots of people and sometimes our staffing is a little light. To help even out the load, please reserve a spot to help by emailing me at(gwbeckman@gmail.com) or signing up at the next Angler meeting.
