**SENIOR ANGLERS OF ESCONDIDO**

Celebrating 35 years  
1975 - 2010

# HOOK LINE AND SINKER

## PRESIDENT'S PERSPECTIVE

Summer was slow in coming, but when it did... Wow. 100+-degree weather. Now I am looking forward to Fall and the many activities our organization has coming up. I am writing this message prior to the June Lake trip. It is always a high point of locations for Anitra and me. The crisp air, the beautiful mountains and lakes, the abundant fishing opportunities, and the wonderful fellowship with our angler friends all get me excited about going.

Another activity in the near future is the Turkey Fry on Oct. 6 under the general direction of Bob and Barbara Hughes. This is their first endeavor so give them as much support as you can. Also, save your good "trash" for the silent auction that day. Gene and Margie Lovelady are heading up the auction, so give them your support also.

If you have not checked out our webpage recently, do so now. ([www.senioranglersofescondido.net](http://www.senioranglersofescondido.net)) we have made many improvements since the early days. Paul Lorson has masterminded the whole webpage.

We recently had great time fishing in Mission Bay. Five couples attended. There was fishing, socializing, hors d'oeuvres, and a hot meal.

Thanks go to Don Continelli for organizing the outing.

## MEET OUR MEMBERS

By: [Dave Gehrke](#)

MARY ROY

### **Mary is currently serving our club as Recording Secretary.**

- ▶ Dave: Based on your East Coast accent, I take it you're not a native Californian.
- ▶ Mary: I grew up in Providence, Rhode Island. My parents were both born there and my husband Jim came from a nearby town. Providence is a beautiful town, the capital of the state, a very cosmopolitan atmosphere, and has a number of Universities.
- ▶ Dave: How did you meet Jim?
- ▶ Mary: We both attended the University of Rhode Island. We met there on a blind date. Jim was a Freshman and I was a Junior. He had served three years in the navy out of high school. I graduated with a Liberal Arts Degree and Jim with a Civil Engineering Degree.
- ▶ Dave: Escondido is a long way from Rhode Island.
- ▶ Mary: Cal Trans hired Jim and he was soon assigned to work on building Highway 78. After a couple of years living near Escondido High School, we purchase a lot near Felicita Park and built our current home.
- ▶ Dave: How did you hear about the Senior Anglers?
- ▶ Mary: Jim and Norm Barnhart played tennis together. He invited Jim to come to a meeting and the rest is history. We joined when David Martinez was President. At the time I thought it was a men's club or at the very least a club for people interested in fishing. Since neither applied to me, I did not expect to become part of this experience.
- ▶ Dave: You're a pretty active member.
- ▶ Mary: I did the Newsletter for two years and now secretary. My favorite aspect of the Anglers is the Camping. We enjoy the outdoors, the fellowship, and the different activities.
- ▶ Dave: Besides the Anglers, what else do you do?
- ▶ Mary: I volunteer at the Public Library on Kalmia St. I also enjoy sewing, knitting, reading, playing bridge and some golf. I'm just getting interested in trying to quilt. We try to take daily walks also.
- ▶ Dave: And we have appreciated your support of the Anglers. It's been a joy to get to know you better.

## PUBLIC RELATIONS

### Roy Roque

Our enhanced **Senior Anglers of Escondido** website has recently been completed by member **Paul Lorson**. [www.senioranglersofescondido.net](http://www.senioranglersofescondido.net)

We are now developing a **NEW SPONSORSHIP PAGE** onto our public website.

Through out the Club's 35 years of fishing activities and community events, we have received many generous public donations in support of our Sr. Anglers annual youth and senior projects. Our local businesses and communities have been impressed with the "active citizenship" displayed by you "Senior Anglers", as noted in the N.C. Times article dated June 2010, Celebrating 35 years, Club contributes to community and environment".

The New Sponsorship Web Page will enable sponsors to be recognized by our club and provide a portal for all website viewers, to share our special all senior volunteers "Let's Go Fishing" community lifestyle.

Please note the "**Sponsors Welcome**" flyer will be available by printing-off from club website. We encourage you to seek new sponsors, in support of our many scheduled community activities and projects.

You are requested to circulate and solicit sponsorship donations using this flyer-form.

## FRESH WATER

### Bob Taylor, Vice President

**S**till those slow days of summer. While I have not done much fishing, at least much catching, in this heat, I hope most of you have done some.

However no one has reported any good fishing to me. I am planning for that to change real soon as we are heading out for our annual trip to June Lake in September.

We have 13 couples signed up and lots of fun things planned.

#### Cuyamaca

Our fall trip to Cuyamaca is planned for October 18-22. Larry and Betty Allen will be our Wagon Masters.

Sign-up at the August meeting if you haven't done so already. This trip is especially nice because of the short drive.

The Pinezanita campground is lovely and the fishing is usually pretty good.

#### Lake Hemet

We will be heading back up to Lake Hemet, November 1-5. Talk to Warren and Nat if you are interested in joining us.

This has become another favorite, for it's proximity, nice campground and good fishing.

Hope to see you on one (or all ) of these outings.

*Bob Taylor*

The "Quilting Ladies" continued their support of Mary's House by delivering three more beautiful quilts this week.

Mary's House is a transitional residential facility in Escondido for girls who have "aged out" of foster care and are working and/or going to school.

As you might recall, we presented six quilts to Mary's House earlier this year and promised more as new girls arrived.

Nat Estes and I delivered the quilts and had a nice "tour" of the house. We were quite impressed and so happy to provide a little something extra for these girls.

We met one of the residents who proudly showed us the quilt she had received earlier this year.
