The great fishing continues to get better. Some days are better than others depending on the available bait and where the fish are. Our recent ¾ day trip had both new and old members pulling yellow fin over the rail.

The June Lake (Pine Cliff), Lake Cuyamaca and Lake Hemet outings are coming up. Please signup for these events at our September meeting.

The Club nominating committee, Cheryl Brandstrom, Anitra Gehrke and Karen Taylor are seeking members to help out on our Board next year.

Our club is so successful and provides many great activities and memories which is the result of everyone helping out. Please contact them if you would be willing to serve on the board.

I saved the best for last, the Fish Fry, wow what a fun and wonderful tasty time. Special thanks to Brenda McQueen for chairing this event and Larry Jauert assisting along with all those who brought fish, helped out and contributed delicious fixings.

Good luck to everyone pulling those big ones over the rail!!

President

“FISH AND PLAY THE SENIOR ANGLER WAY”

PROGRAM

SEPTEMBER

Our guest speaker will be **Captain Robb LeTourneau**, SoCal Reels. Captain Robb will demonstrate various ocean and fresh water reels and talk about the current ocean fishing opportunities. He will also be demonstrating his most advanced reels and offer club members a good discount.

This should be a very interesting and educational meeting for all.

OCTOBER

Our Guest Speaker will be Jim Holden, Executive Director, RolloKids.org. Jim will explain the role of the RolloKids Program and how they work with various organizations to help children become interested in fishing.

This ties into what we as Escondido Senior Angler's do to encourage various youth groups to enjoy the opportunity to get outdoors and learn to become lifelong fishers.

SALT WATER

SALT WATER TRIPS

Well, it's been quite a fishing year and it's not over yet. We have the Cabo trip in October and there's plenty of fish in our San Diego waters.

Remember to turn in a large fish report and a picture of the fish. Anyone can take the picture from a cell phone and forward it to me. If you can't print it, I can do it for you. In order to qualify you need the report and photo.

The last 3/4 day trip was beautiful with flat water and warm weather. Eleven nice yellow fin tuna and 4 skipjack were caught. I was able to pull the jackpot out of my hat:) Cheryl was going to try smoking the skipjack. Anxious to hear how that went.

We will have a full day trip next August along with two 3/4 day trips June and July. It is really nice to have our own salt water charters and great members to fill them.

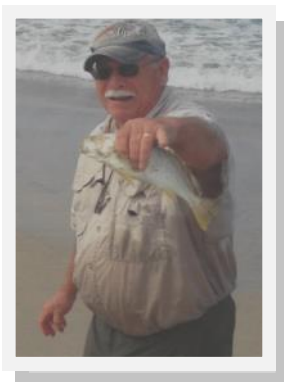

SURF FISHING (From Don Continelli)

The latest Surf Fishing Outing was on August 18th. Participating were **Gary Farrar, Hank Skaja, Larry Jauert, Dave Gehrke and Don Continelli**. We met for breakfast at **Angelo's** across Coast Highway from Pacific Bait and Tackle. Dave and Don ate enough pancakes, biscuits and gravy to feed the whole club.

The guys at **Pacific Bait and Tackle** were great suggesting we fish with ghost shrimp along the shoreline below the Army-Navy Academy. The water conditions were nearly perfect but the fishing was slow. **Don** landed an 11oz Corbina, which was the only fish caught, using a pinched off portion of a red plastic sand worm on drop line set up. Go figure.

We won't be surf fishing in September, but we'll do it again in October.

Saltwater Vice President
