A line from your President...

There is still time to sign up for two fun events that will be topping off the month of August. The Hoagie Picnic will be at Dixon Lake the evening of August 29th. If you are interested in attending please contact **Tony or Monique Smock** by the 26th so we will know how many sandwiches to pre-make. As an added treat at the Hoagie Picnic, **Hank Skaja** is providing some of his woodworking specialties for the opportunity drawing. At last year's picnic Hank had made cutting boards in the shape of a fish, pig and a wooden paddle. They were made from unique hardwoods. I am sure we are all eager to see what Hank has created this year.

The second event will be on the 30th, the evening after the Hoagie Picnic. We will have our final fish challenge of the year, meeting at Dixon Lake to try our luck night fishing for catfish. Come enjoy the cool evening breezes and beautiful nighttime scenery at the lake. Night boats start renting at 5 PM. Come early because the boats are often sold out. For those with mobility challenges, a group will be going out on the Handicap Pontoon Boat. Contact **Ken Harrison** to see if there are spots on the boat.

Currently saltwater fishing is having a very good year if you are on an overnight boat or longer. Lots of Yellow Fin Tuna and Dorado are being taken. Half day and $\frac{3}{4}$ day boats are mainly catching Kelp Bass and bottom fish.

We still have one position to fill on the Board of Directors. Please see **Ken Harrison** for more information.

FRESH WATER

Hello fellow Senior Anglers,

On Thursday the 16th the **Gehrke's** and **Wilson's** went on road trip to look at potential fishing/campgrounds. Although we looked at a few lakes. they all had drawbacks.

The one that topped the list was Prado Regional Park in Chino. We think this would be a great backup for Yucaipa. However, the month of January was all booked up (as it is ever year according to rangers). So, it looks like back to Yucaipa for this coming January, which is wide open now. I am looking for a wagon master for this trip. Any volunteers?

Next scheduled fresh water fishing will be at Dixon lake on the evening of the 30th for catfish challenge. It will start at 5:00 pm and weight in will be at 10:00 PM sharp at the boat launch.

I haven't received any fish documents this month, so there are no changes to our Large Fish of the Year.

SURF FISHING

August 13, 2018 at San Elijo State Beach

- Competitors: **Cheryl Brandstrom, Frank and Pat Mancha, Bill Modi, Jim Davidson, Hank Mabry along with the Italian Stallions Ron Casapulla, Ron and Don Continelli.**
- Guests: **Lynda Davidson, Irene Modi, Debbie Continelli and Ray St. Charles (10).**
- Largest Fish: 2.3 lb. Corbina caught by **Don Continelli** on a sand crab near Life Guard Tower #13.

Our August competition started off with an early dinner at Capt. Keno's following by near perfect fishing conditions along the beach. At tower 13 we had an abundance of sand crabs. Four fish were caught. I managed to hang on to the tournament lead with that 2.3 lb. Corbina.

The Italian Stallions Left to right is Don Continelli, Ron Casapulla and Ron Continelli.

And the winner, so far.....

Ray St. Charles

Our next scheduled tournament is September 17, 2018 and conflicts with the Club's June Lake trip. I will be contacting the tournament competitors to see if there is a need to reschedule that date. Here is the tentative information:

San Elijo State Beach (Life Guard Tower #13, we'll start with a late lunch @ 2:30 PM (location TBA), begin fishing time @ 3:45 PM with high tide @ 4:34 PM
